

The 8<sup>th</sup> Annual Transit Training Conference for “Front Line Employees”  
is packed with great topics and exciting instructors  
combined with a comfortable learning environment.

MASSTrans is joining forces with the DoubleTree Hotel , Delta College University Planetarium, Michigan Department of Transportation and the Michigan Transit Pool in Bay City to offer a combination of transit education, networking opportunities and leisurely activities. This all takes place the weekend of September 9<sup>th</sup> – 11<sup>th</sup>, 2011. If possible, take advantage of our Early Break-Out Sessions that begin at 12:30 p.m. on Friday. We design this program to fit the ongoing needs of our “Front Line Employees”.

All transit representatives whether public or private, service organizations or other stakeholders are encouraged to attend this event. We always welcome new participants! As always, family members and aides to individuals with disabilities are welcome to attend this conference at no extra charge.
